
Scholarship Committee Service Commitments

The purpose of the Heart of Recover Foundation Scholarship Program is to assist in providing educational opportunities to employees who have demonstrated commitment to excellence. Furthering our belief to “Share a sense of purpose with professionals and paraprofessionals who are talented, competent and love what they do”.

In carrying out its duties pursuant to the Heart of Recover Scholarship program the Scholarship Committee will:

- Fulfill the intent and spirit of the established scholarship program
- Maintain a committee of no less than three impartial members
- Review and evaluate all applicants completed submissions
- Provide the Heart of Recover Foundation a summary of applicants and recommended scholars for each application period
- Provide honorary or memorial recommendations for each application period
- Embed our Mission in every interaction
